

PORTABLE TOOL BENCH **has 22 interchangeable drawers**

Capable of carrying 1500 lb of tools and equipment, the Senior four - wheel portable bench rolls smoothly over any floor surface, or over air hoses and curbs, to the job. It has a choice of 22 interchangeable drawers which may be locked, plus 24 small parts pockets. The $24\frac{1}{8}$ x 44 $\frac{3}{16}$ -in. top may be used as a workbench

or to mount equipment such as vises, grinders, or drills. Made of welded steel sections, the 39-in. high unit is offered in four standard colors. Also available are the $18\frac{1}{8}$ x 28 $\frac{9}{16}$ x 37-in. Junior model with 10 drawers and 24 small parts pockets and the $18\frac{1}{8}$ x $36\frac{3}{8}$ x 38-in. Middi model with 14 drawers and 24 pockets.
